## Progress on Key Themes of the Medium-Term Management Plan

## Focused on key themes in order to propel "ARTNATURE, pioneer of the next generation"

 to the next stage.|  | Key Themes | Progress |
| :---: | :---: | :---: |
| Value Creation | Establish a position as a market leader in the domestic hair business industry <br> Acquire and expand business in new areas | Repeat sales aligned with projections, while new (first-time) sales for both men and ladies underperformed, leading to revisions in earnings forecasts. <br> (All revised targets for sales and income were achieved.) <br> No business in new areas were acquired. |
| Sustainability Promotion | Create a sustainable society Promote compliance with the Corporate Governance Code Implement SDG initiatives <br> - Achieve sustainable growth in corporate value Improve labor productivity/production stability/administrative efficiency | - Aiming to build a sustainable society <br> Climate change: Completed the calculation of group-wide GHG emissions <br> Set medium-term goals for 2030 <br> Respect for human rights: <br> Established a basic human rights policy and implemented human rights due diligence <br> Human capital: Improvement of employee working conditions <br> - Established a subsidiary in Bangladesh to serve as a new production base, as part of efforts to create a sustainable production system |
| Dialogue with the Market | Consider additional shareholder return policy (dividend increase, shareholder benefits, etc.) <br> Consider new information disclosure | - Transition from the Prime Market to the Standard Market <br> Established a dividend policy as an additional shareholder return measure <br> - Disclosed the estimated capital cost and the basis for the calculation in order to externally demonstrate management's awareness of the capital cost and the stock price |

## Value Creation: Progress of FY2024 Performance

For the fiscal year ending March 31, 2024, the reason for not achieving the original plan is new sales.

| (Million yen) |  | Initial plan | Results | Analysis of factors contributing to failure to meet initial sales plan |
| :---: | :---: | :---: | :---: | :---: |
|  |  | FY2024 | FY2024 |  |

## Value Creation: Responding to Decline in New Sales

We are taking a number of steps to generate excitement and drive new sales through advertisements and other sources.

Create a buzz through advertisements

- Reviewing promotion contents
- Implementing various measures to convert website inquiries into sales

## Sustainability Promotion: Progress of the New Factory in Bangladesh

In FY2024, a subsidiary was established to focus on activities to prepare for the new plant scheduled to begin operating in FY2026.

## Purposes of establishment

1) Diversification of production risks resulting from concentrated production in the Philippines Preparing for natural disasters and political risks, and securing the workforce, etc. needed to meet the demand associated with economic development
2) Ensuring production line capacity for the future expansion of business and increased production volume Expansion of the production capacity of custom-made and ready-made wigs

## Progress of the Medium-Term Management Plan

## Medium-Term Plan Details

1 year FY2024 Establishment of subsidiary
2nd year FY2025
Start of construction, securing and training of personnel

3rd year FY2026 Commencement of plant operation

Impact on financial results in the second year (FY2025) of the medium-term plan
The impact of starting construction of the new factory and securing personnel on the current fiscal performance is minimal.

## Dialogue with the Market: <br> Progress of the Improvement Plan

We are continuing to address the items outlined in the Improvement Plan after the transition to the Standard Market.

Progress of the Plan (Improvement Plan) for Compliance with the Listing and Maintenance Criteria

| Initiatives | Implementation Status |
| :--- | :--- |
| Enhancement of corporate value | Established the medium-term management plan, the "ARTNATURE <br> Advance Plan." Currently working to achieve last year's goals |
| Improvement in the number of shares <br> outstanding | Decided to postpone the disposal of treasury stock, considering our <br> current cash reserves. <br> Initiated discussions with some of our major shareholders regarding <br> the possibility of selling their holdings on the market. |
| Consideration of additional shareholder <br> return measures | Established a new dividend policy in addition to the existing basic policy |
| Strengthening of dialogue with the <br> market | Disclosed the estimated capital cost as new information <br> Held regular online events for investors. |

## Shareholder Returns

Aim to return profits to shareholders as planned in accordance with the new dividend policy set in FY2024.

| Basic policy | Based on a consolidated payout ratio of $40 \%$ or higher, we will strive to increase dividends in line with consolidated performance (increase in increments of 1 yen), with the current annual dividend of 28 yen as the minimum limit. <br> However, until we achieve an ROE of over 10\%, the consolidated payout ratio will be set to $50 \%$ or higher. If consolidated net income fluctuates significantly, we may adjust the dividends to account for these fluctuations. |  |  |  |  |  |  |  |
