While the P/B ratio remains under 1.0, the stock price is gradually trending higher after bottoming out in July 2020.

Review of Key Challenge Measures

Salon visitors were not back to pre-pandemic numbers, yet net sales hit a new peak.

The expansion into new business areas has yet to be realized; it remains to be addressed.

Domestic Hair Business Industry

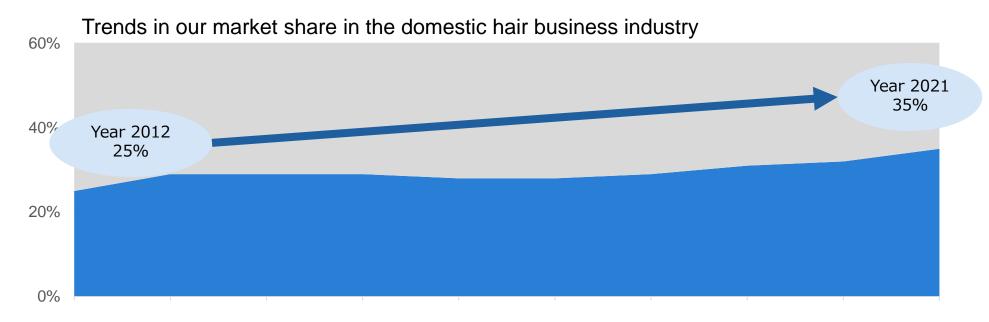

The domestic hair business industry has seen a downward trend in terms of market size, with wigs and hair addition shrinking. Although the market size increased in FY2021 compared to FY2020, it has not returned to the prepandemic level.

Strategy by Business Segment (Ladies' ready-made wigs business) ARTNATURE Advance plan

Thoroughly bolster our repeat-sales strategy for existing customers, something that has hitherto not been initiated

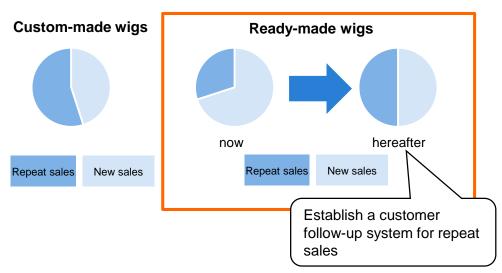

Strategy

Promotion

Establish a repeat-sales system

Repeat-sales system

Aim for further growth by establishing a follow-up system to expand repeat sales of ready-made wigs, aiming for the same sales structure as that for custom-made wigs.

Establishment of a customer follow-up system

Extend customer service through improved productivity and reevaluate human resource development and customer approaches to increase the closing rates.

[Current]

Efforts focused on new sales, insufficient follow-up with existing customers

[Future]

1) Allocate additional time for customer service through improved productivity

(by reexamining the product supply system and after-sales maintenance services, etc.)

2) Improve the closing rate of repeat sales with existing customers (by tailoring the customer approach according to customer attributes, etc.)

[Expected results]

Retaining customers and achieving further sales expansion

Increase initiatives to expand brand recognition in online sales and overseas businesses and acquire and expand business in new areas related to beauty and health.

1. Online sales and overseas businesses

1) Step up initiatives to expand recognition of the ARTNATURE brand

2) Resume overseas travel and other sales activities in the post-pandemic period

3) Rigorously emphasize profitability (cost-effectiveness) in business operations

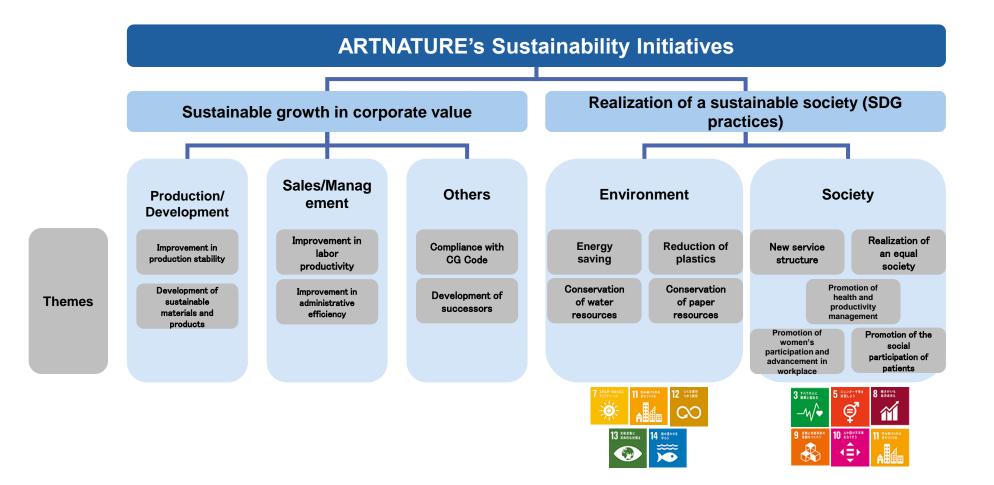

2. <u>New business domains</u>

Acquire and expand businesses related to beauty and health, areas adjacent to our core business, and build up sales of 3 billion yen (up to 10 billion yen).

Build a sustainable management system and promote sustainability-related initiatives.

| Basic policy | Guided by our motto "Your best smile is what we want," the ARTNATURE Group strive to realize a sustainable society and sustainably enhance its corporate val accordance with the ARTNATURE Code of Conduct. Achieve sustainable growth in corporate value by establishing a new production/development framework

Initiatives for a sustainable production/development framework

Improvement in production stability

- Diversify production bases (consider new contractors and new plants outside the Philippines) and improve a stockpiling system for raw materials

- Start production of partially custom-made wigs using the world's first automatic wig hair transplanter

Development of sustainable materials and products

- Establish a system that enables the development and launch of several original products per year
- Research and verify new, environmentally friendly, next-generation hair products

<Reference> Introduction of automatic wig hair transplanter

[Now]

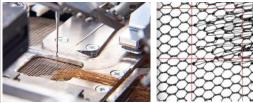

Manual hair transplantation by skilled craftsmen

- Production time per wig: 40-50 days
- Annual production: over 60,000 pcs

[In future]

Automation of transplantation process through automatic wig hair transplanter

Transplantation, integrating the hair with multiple needles

- Copyright © 2023, Artnature Inc. All rights reserved. -

[Advantages of Introduction] Strengthening of business continuity capability 1) Stabilization of supply system through automated transplantation process 2) Stabilization of quality through mechanization

Expected to solve problems related to securing and training artisans, delivery delays due to disasters, country risks, etc.

Achieve sustainable growth in corporate value by establishing a new sales/management framework

Initiatives for sustainable sales/management framework

Improvement in labor productivity

- Improve labor productivity (i.e. sales per worker) by raising operational efficiency with the use of the latest technologies and investment in information systems, thereby concentrating on high value-added operations

Improvement in administrative efficiency

- Improve administrative efficiency by updating information and administrative systems and improving the workplace environment

Achieve sustainable growth in corporate value by emphasizing compliance with the CG Code and the development of successors.

Initiatives for sustainable growth of corporate value (others)

Compliance with the Corporate Governance Code

- Promote sustainability initiatives, including climate change, respect for human rights, and human capital
- Improve our risk management system by identifying business and other risks, creating a risk matrix, and prioritizing risks

Development of successors for key posts

- Develop human resources through reskilling and train successors for key posts in each head-office division to maintain and strengthen the head-office function

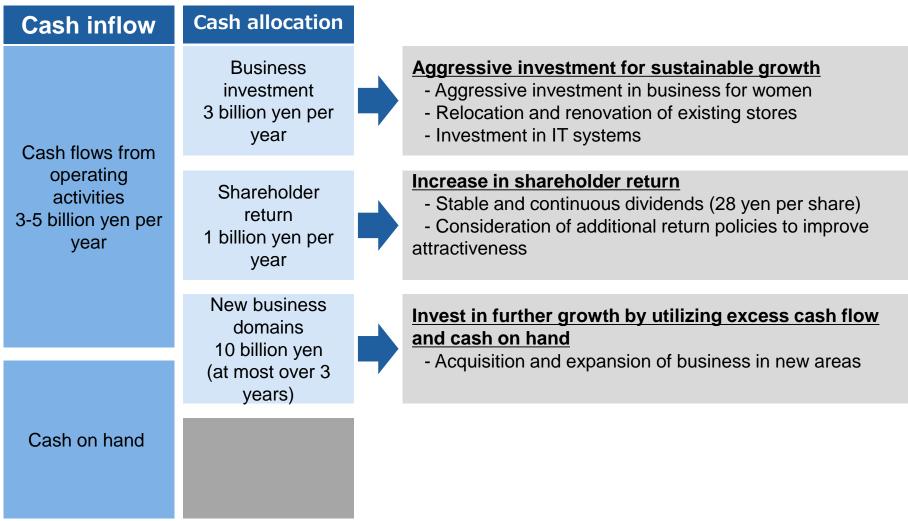

Realize a sustainable society by working together with our stakeholders.

| Initiatives for a sustainable society | | | | | |
|---------------------------------------|---|--|--|--|--|
| Environ ment | Energy-saving efforts (LED lighting, etc.) Plastic reduction (use of recycled PET and eco-friendly bottles for containers, etc.) Resource conservation efforts (water: introduction of water-saving showerheads, paper: digitization of paper documents, etc.) | | | | |
| Society | Establishment of a new service framework (considering the possibility of adopting new technology, reevaluating services at the company's permanent stores, etc.) Realization of an equal society (enhanced support system for the disabled, opening of hair salons in hospitals, etc.) Promotion of health and productivity management (promotion of health checkups, prohibition of long working hours, etc.) Promotion of women's participation and advancement in workplace (promotion of the use of male childcare leave, etc.) Promotion of the social participation of patients (handling of medical wigs to improve the quality of life of patients, etc.) | | | | |

Financing plan

Invest in growth, including in new business areas (fields related to beauty and health) and increase shareholder returns by utilizing cash on hand and cash flows from operating activities.

Numerical Targets(Financial affairs)

Aim to reach net sales of more than 50 billion yen and ROE of over 10% in FY2025, the final year of this medium-term plan.
